

Leather Laptop Cases  
with Patented Detachable Wheel  
and Handle System

**Honoree of the Innovations 2009  
Design and Engineering Award**

Congratulations to McKlein Company LLC, Honoree of the Innovations 2009 Design and Engineering Award for Leather Laptop Cases with the Patented Detachable Wheel and Handle System.

Now traveling is a breeze, one case three ways! You can roll it, carry it, or slide it on the back of your luggage handle with a quick, easy zipper/strap. The Detachable Wheel and Handle System is available in various colors and silhouettes.
