**Patented 2-in-1 Detachable Wheel and Handle System** allows you to carry a lighter non-wheeled version to your daily destination either by hand or attached shoulder strap.

In addition, it can be used as a wheeled bag for heavy loads by simply attaching the bag to the wheel and handle system.

This bag fits most laptops 15.4" in screen size.

Product ships from manufacturer in 3-5 days.

# Fly-Through™ Checkpoint-Friendly Design

Now traveling through airport security is a breeze.
